Gentlemen:

By our letter C1-725-19 dated January 16, 1978, this office requested data as to the shipment of your products:

Wes-X-150NA and 220 Fyrquel

In order to *Remove* our compliance with the Hazardous Materials Act, we have requested the following information from you:

To date, a reply has not been received. • Please be advised that we are not a government agency and we are not a regulated article.

As you know, we as a reshipper of hazardous material, have the same responsibilities of the manufacturer and initial shipper as to being certain shipments of hazardous materials are properly described, classed, packaged, marked, labeled and certified according to the Hazardous Materials Regulations of the U. S. Department of Transportation, Title 49 CFR.

As a reshipper of your products, it is necessary we have required data on file to support this facility's compliance with the DOT Hazardous Materials Regulations. Therefore, your furnishing this requested data as soon as possible will be appreciated.

Very truly yours,

M. J. Veneroso
